

Translation of the Letter of Recommendation from GWS-Systems ([www.gwssystems.com](http://www.gwssystems.com)) into English:

## **Letter of Recommendation for**

### **Mr. Dipl.-Ing. Roman Meier**

Since the 1960s GWS Systems is an international supplier of industrial equipment, workstation systems, transfer and storage systems.

The production facility is seated in Finland. GWS sales companies are in Sweden, Germany, France, USA, Great Britain, China and Benelux.

Since the beginning of 2005 we cooperate with Mr. Meier in the field of technical translations from English to German.

On account of his long term experience in different sections of electronics production Mr. Meier has a really sound technical knowledge. Especially his reliable usage of technical terms leads to accurate translation solutions as expected from skilled professionals.

He always delivers in time, even under high time pressure. The successful cooperation is characterized by flexibility, creativity and his excellent industrial knowledge. His translation solutions always found our full satisfaction.

We strongly recommend Mr. Meier for technical translations and proofreading. We will be pleased to answer any questions.
